The Objective of the Trust, and hence the Committee, is to provide and maintain the Village Hall for the use of the inhabitants of Upper Rissington. Notwithstanding the above, the Committee recognises that abuse can take many forms, whether it be physical, psychological, sexual, discriminatory, domestic or neglect or an act of omission and is committed to protect vulnerable adults from harm. The Committee accepts and recognises its responsibilities to develop awareness of the issues which cause vulnerable adults harm.

An adult at risk is a person over 18 years of age who:

- Is, or may be in need of, Community Care Services by reason of mental or other disability, age or illness

2. All adults at risk whatever their age, culture, disability, gender, language, racial origin, religious beliefs and/or sexual identity have the right to protection from abuse
3. All suspicions and allegations of abuse should be taken seriously and responded to swiftly and appropriately
4. All Committee Members and Volunteers should be clear on how to respond appropriately

¹ The term "Adults at Risk" is synonymous with the term "Vulnerable Adults"

² Hereinafter referred to as "the Committee"

³ Hereinafter referred to as "URVH"

The Committee will ensure, so far as affects their responsibilities and is practicable, that:

1. Abuse of adults at risk will be identified as far as reasonably practicable
2. It will respond effectively to any circumstances identified
3. It will respect the confidentiality of adults at risk wherever possible
4. It will raise awareness of abuse to adults at risk
